Larry,

We at LKQ would like to thank you for all your hard work and completely satisfying our construction needs the past few years. I know it has not been easy with all of the last minute projects we request of you. I am extremely impressed with the communication and follow up every step of the way. Not to mention the attention to detail.

I would highly recommend your services to anyone considering a project, and would welcome the opportunity to speak with any prospective clients directly to express how happy we are with the results.

Sincerely,

Phillip Garcia
